Member MICR Number

Please accept this as an official document created for the purpose of establishing direct deposit (not to be used for automatic withdrawals or for ordering checks). To ensure the direct deposit is processed accurately, please use the Routing Number and MICR Number listed above as the Routing and Account Number when setting up direct deposit. The MICR number is a longer version of our member's account number best suited for direct deposit. Everyone has a unique MICR number.

The account referenced above is:                      CHECKING                      SAVINGS

Sincerely,

*TCCU Representative*
